

moscow, Aug. 4. 1986

To Joel Flatz

Dear Joel,

It is the greatest challenge  
we <sup>are</sup> all facing now invited to be a  
part of the World's largest TV Event,  
Oct. 24, 1986.

Some days ago by sheer coincidence  
(or by inspiration?) I convinced  
the Union of Cinematographers to  
make an initiative and to transform  
a large formal international Exhibit  
"Cultural Workers for Peace" (to be opened  
on the 26<sup>th</sup> of Sept. thru the 10<sup>th</sup> of Nov at Centree  
Exhibit Hall next to Lenin) into a meeting point  
for Soviet and American artists, writers, architects,  
composers via photophone line. You can consider  
it as an inauguration of moscow-San-Fr. Telephone  
line, provided that the Event will be shared  
every evening by thousands of passers-by at  
Palinsley prospect next to large Video-screens.

It is my "yes" to your Colorado talk-show.  
On the 24th, Oct., we'll be included into ur-  
show. (If they find it difficult or impossible to  
raise money thru traditional channels, why  
don't we try some alternative approaches?)

Mr. Hayon Hasselbach (whom I introduced here  
to Doug Gantos), veteran Danish filmmaker, agreed  
to shoot sunrise on Malta. The next episode  
of our part will connect thousands of  
viewers of all ages, from new born babies

to their grandparents waving hands and legs  
to each other, and then 10-year-old  
prodigy-girl from Moscow will play  
Mozart to humanity and will say  
"Hello" to Vladimir Horowitz in  
Russian.

Do you want me to continue, or  
we'll start work?

Please, remember to Mr. Cowstock that I want  
very much to conclude my article for our  
book with an edited three pages I sent via  
fax and here-attach'd. I think it will  
be good episode for UN-day (price is  
considering to distribute your book together  
with UN-day programmes).

My best wishes to Bob Freling.

I asked Rick to consider him our  
partner in this unique programme.

Takes care of our computer-line —  
Ellen Blinov met with Oleg Smirnov,  
and now we are waiting for our  
"apple" from Jerry Sinclair to start our  
exchange.

I hope it is enough here.

The rest we'll discuss via Colorado  
talk-show.

My warm greetings to Adam.

Love to Diana and you,  
Joseph.
